Sample wording of a SaddleSore Certificate (please keep this format in mind as you answer the following questions):

This is to Certify that on May 15, 2001, John J. Rider rode a BMW K1200LT a total of 1,310 grueling miles in less than twenty-four hours starting in Chicago, Illinois continuing onto St Louis, Missouri and Oklahoma City, Oklahoma before ending in Omaha, Nebraska while participating in the SaddleSore 1000.

Name of start city: _____

Note: for the **certificate** you may substitute a large city nearby if you want); for example, if you start in DesPlaines, Illinois,(a suburb of Chicago), it is acceptable to put Chicago as the starting point for the certificate.

Name of end city for SaddleSore: _____

Note: Same rules apply to these cities as noted above.

Name of end city for Bun Burner: _____

Note: Same rules apply to these cities as noted above.

Your certificate will highlight up to three cities as midpoints. Please list **Up To Three** cities that helps highlight your route for your certificate:

Note: Some of these cities may be listed on your certificate and the same rules apply to these cities as noted above. For example, we might want to say, Jerry Jones started in New York, New York continued onto Daytona Beach, Florida before ending her ride in Little Rock, Arkansas.

Please note that this is only an attempt to make your certificate more readable - do not stop 60 miles short of Los Angeles and expect us to create a certificate that reads Los Angeles. This is to make the certificates more readable so that when you display them, your riding friends will better grasp the immense ride you took.

Finally, you must certify that what you are telling us is accurate:

I (print name): _____, hereby certify that the statements in this application for certification are true to the best of my knowledge and belief.
